A large, light green circle is centered in the upper half of the page. To its left, several vertical green lines of varying heights extend upwards. To its right, several diagonal green lines extend downwards towards the bottom right corner. At the bottom, there are horizontal green lines, some of which are interrupted by black rectangular blocks and a series of black dots forming a curved path.

## FOREWORD

If this book will serve in any way  
to present pleasant reminders of this  
year at Piedmont the ideal of the staff  
will be fulfilled.

May we ask that this book become  
frayed from use and not from age.

—THE STAFF

To a son of a former Piedmont, to a supporter of a present Piedmont, and to a father of a future Piedmont; to a man whose quiet, timid and sincere ways have made both us and Piedmont better, we respectfully dedicate this 1936 edition of the YONAHIAN to W. S. Roberts.

The Protropian Literary Society was constituted in 1897. Since that time it has been a vital force in the building of real character and manhood in the men who have taken advantage of its offer of brotherly love, and mutual endeavors toward lofty and noble ideals.

The primary object of the Protropian Society is to bring together men with kindred interests, thoughts, and ideals so that they may express freely their views toward any subject that is essential to their welfare. The Society strives to gain knowledge by assimilating the different interests, thoughts, and ideals into a concentrated form as a single illuminative light guiding men to better themselves.

The Protropians elected Miss Doris Moore as their sponsor this year. Miss Moore is an outstanding leader and a true Protropian. The wise choice of a sponsor has meant much toward making this year successful for the Society.

Gamma Chi Society strives constantly to express sincerity, intelligence, and fellowship.

This year Miss Eva Tuttle was elected as our sponsor and little Dorothy Walker as the society mascot. Thus Gamma Chi was able to put on the fifteenth anniversary program—a presentation of "Little Women" in a finished manner with a spirit of co-operation.

Gamma Chi presents the opportunity for greater strides forward, and we hope that Piedmont is a better place because of our ideal and our loyalty.

The J. S. Green Literary Society during this thirty-ninth year of its existence has continued to uphold the standards set by the founders. The Society has contributed tremendously to the development of its members, mentally, morally, and socially.

For the thirty-ninth anniversary program the Society presented Miss Louisa Kimzey who gave a very interesting reading. The Society then dramatized Robert Louis Stevenson's "Treasure Island." The entire membership participated in this program and its preparation was marked by the true Green spirit of co-operation.

"Once a J. S. Green always a J. S. Green" is the sentiment of every member, both old and new.

## FOOTBALL

With the beginning of school Coach Forrester met a large, enthusiastic squad of athletes who answered the call for football practice.

These boys worked hard and soon were in shape for their first game.

The first game was with Furman who had a much larger team with many more reserves. Piedmont lost to them by a large score of 69-0. The game was not nearly so bad as the score indicated because of the hard fighting which is characteristic of the team.

The team then went on a journey to Boone. The trip was a success even though Boone won 12 to 0.

Piedmont had its first home game, and proved their worth by a win of 19 to 0 from a strong C. C. C. team.

The Lions went over to battle the strong team of Jacksonville, Alabama. The game was marked by the guidance of Captain Farmer and the work of "Bud" Voigt, Black, Kirkland, Dollar and Billingsley. The opponents won by a close score of 12-6.

Piedmont always looks forward to the tilt with Hiawasse College. This year we tied the game 6-6 with these opponents. This game was made spectacular by the long runs and hard tackles of Voigt and Farmer.

The team then played its second game on home ground. The strong team from Tennessee Wesleyan finally carried off the honors given by the score of 34-19.

However we were in the light in real playing and good sportsmanship.

The annual Homecoming program was outstanding success. The Lions were in excellent shape and carried off highest honors in a good, fast game with a score of 12-0 in winning from Western Carolina Teachers. Linden played his last and probably his best game in scoring both of Piedmont's touchdowns.

We owe much of the success of the year to the scrubs who worked hard even though they received very little honor. Those who worked for the team and to whom we are looking forward for our team next year are: Williams, Owens, White, Brooks, Mosley and Owen.

We also owe much to the two trainers, Green and Butler, who were untiring in their efforts to keep the team in shape.

Last but perhaps largest we give our respect to the coaches, Chambers and Forrester, especially to the untiring work of Coach Forrester.

## FOOTBALL

ADAMS . . . (Co-Captain) *Guard*

Oscar says Alabama is proud of him; but we say Piedmont is proud of him. This is his last year to play for the Green and Gold and he turned in a fine performance.

LINDEN . . . . . *Halfback*

"Haddie" always played his hard, fast game and could hit the spot with his passes. He wore the Green and Gold his last time in the Homecoming game in which he was one of the main spark-plugs.

GILBERT . . . . . *Quarterback*

"Goo Goo" is the lad from Alabama who always upheld Piedmont. Don't worry, "Goo Goo," we'll miss you more than you'll regret going.

SANBORN . . . . . *Tackle*

Ralph played with his weight as well as with his knowledge of football. We are depending on him next year.

FARMER . . (Co-Captain) *Halfback*

"Ikke" had another very successful year of football at Piedmont. We wonder who will be here in future years with so wonderful ability to keep cool and play hard ball.

LEWALLEN . . . . . *End*

"Argo" played with usual fight throughout the season and gave the opponents many hard hits.

SMITH . . . . . *Guard*

"Bay Rum" kept the team laughing and fighting. We expect him to give opponents much trouble in the future.

QUILLIAN . . . . . *Tackle*

Joe gave the opponents much trouble in the line. "Keep up the good work, Joe, and we will go places."

CARLTON . . . . . *End*

"Commerce" played his last year for Piedmont this year. Here is to his married life.

KIRKLAND . . . . . *Tackle*

"Kirk" always led the squad in their singing. We are losing a good man but we hope he finds his next home as happy as he did the football field.

BLACK . . . . . *End*

Loyd played his first year for Piedmont and it was an excellent one.

WRIGHT . . . . . *Halfback*

"Red" was a most valuable man to the squad. He was outstanding on defense.

PURCELL . . . . . *Guard*

"J. M." has always been loyal to the team and proved it in his last year for Piedmont. "Luck to you!"

DOLLAR . . . . . *Guard*

Monroe was a new man to the squad but he played with the best and liked it.

PARKER . . . . . *End*

"Jimmie" was the comedian of the team but his opponents didn't laugh at him. He gave them plenty of trouble even though he was injured part of the season.

VOIGT . . . . . *Fullback*

"Bud" was one of the main offensive and defensive players for the Green and Gold. He gained many yards for Piedmont and always played his hardest.

BILLINGSLEY . . . . . *Center*

"Dillinger" always kept the middle of line steady and always had a smile and a joke to cheer the team on. Let's see John go next year.

This was discussed during the noon.

Delicious refreshments were served by Mrs. Stone assisted by Mrs. Bell. About fifteen guests were present.

Jersey Girls Bow

To Piedmonters 39.

The hard fighting and alert Jersey High School team met defeat Tuesday evening at the hands of the Piedmont team. Expects the very best of you. Froom beginning to end, this was a real scrap. Both teams fought with every ounce of strength and willpower. At no time until the whistle could one be sure who was going to win. Piedmont's team has been strengthened by the remarkable talent of the new players. All the players of last year, stated that they were even more excited this season, than last. If the debut body will back this team, it really go places and do things.

Piedmont College was well represented in the Amateur night in the Clarksville High School Auditorium on October 25. Mr. Luc Hirtle was master of ceremonies. Piedmont quartet favored the audience with one selection; Mr. Boy and Mr. Buice sang, and Miss Hirtle accompanied by Miss Purdy. One of her ever popular "bliss songs." And naturally no night of playing.

We were tremendously glad to learn that Luther Buice is only a year, and to have seen "fat" laughing when some unruly people

SIDE GLANCES

AT FOOTBALL!

Piedmont students and school were astounded recently when they heard the football heroes of our campus calling to one another to put those new jerseys and come hither their pictures taken. Could it be possible that the often talked of jerseys had been purchased? It was to add to our astonishment a headgear was seen being torn from one player to another for approval. We understand that several of these have been ordered the players with weak heads.

The players had their pictures taken in various fighting poses, which some of them were unfaithful. The general opinion is that Smith Adams are the most handsome boys on the squad. Coach suggests that the pictures of Parker and Farn be turned over to Pres. Newell to be used in begging funds.

The boys have been practicing hard for about three days a week. Regular practice has not been due to the cancelling of games; fearful opponents. Probably remarks made by Greenville sport writer about Gilbert caused this.

The Gamma Chi Society has decided to present the well known "Little Women" for our Anniversary Program.

This play has a most extraordinary well developed background plot. The story is laid back in 1860's. This story has lived through the ages and is one of the most popular plays on the market.

*As about the mighty oak tree,  
Clings the ivy vine,  
So around thee, dear old Piedmont,  
Loyal hearts entwine.*

*Here's to thee, then, dear old Piedmont,  
May you ever stand  
As an emblem of the noblest  
In our fair Southland.*

sir?"

O. O. F. H.: "Let me have a big  
one—there's ten guys on our floor."

✧ ✧

"Now Jimmy," smiled the teacher,  
"What does milk come in?"

"Pints," replied Jimmy.

"But what else, Jim," said the beloved  
teacher.

"In squirts," said precocious Jimmy.
